

LED Accent Lighting

Choose Your LED Lighting:

Available in 4" & 5"
White • Tan • Almond
Clay • Black

LED Post Cap Light

This hard wired system allows you to control the lighting. LED Post Caps are simple to install, plug directly into the LED DC Transformer and use less energy than old style bulbs. Perfect for entertaining areas that require light in the evenings or to simply showcase your deck.

Dome Accent Light

White • Tan • Almond • Clay • Black

The Dome Accent Light attaches to your deck post and is perfect for lighting walkway areas. Each light is 2-3/4" diameter and 1-1/3" in depth. LED w/attached 9" lead wire.

Riser Accent Light

White • Tan • Almond • Clay • Black

The Riser Accent Light comes with 2 Covers. A full sized or half cover. Perfect for use on a deck post or as a stair riser light. 9" lead wire. Oval Dimension: 1.130" x 3.223"

Recessed Light

The Recessed Lights are just under 1" in diameter and a little over 1/2" in depth. These Flush Deck Lights have a Frosted Acrylic cover with an attached 9" lead wire.

Choose Your Power Supply Type:

50W LED Power Supply with Photocell

Both LED DC Transformers are equipped with a Photo Eye to automatically power on at dusk and turn off at dawn. Each Transformer works with our plug and play wiring. No more guessing which wire connects to which!

The 12 Watt Transformer powers up to 16 LED deck lights, while the 50 Watt Transformer Kit includes a Programmable Timer, a Dimmer with Remote, and can power up to 65 LED deck lights.

12W LED Power Supply with Photocell

50 Watt: 12 Volt DC, 4.2 AMPs, Programmable Power Supply with Remote Dimmer and 3-way splitter on a 4' supply end.

12 Watt: 12 Volt DC, 1 AMPs with 3-way splitter on a 9' supply end.

Choose Your Installation Wiring :

2-Way Wire Splitter

2' Wire Extension

7' Wire Extension

5-Way Wire Splitter

5' Wire Extension

9' Wire Extension
